WORK EXPERIENCE

Web Developer (ReactJS) - Part Time

Easter Forest | Remote | Nov 2022 - Mar 2023

- Ensured the integrity, performance, and security of company's website, handling diverse data types including inventory, customer, and transactional data.
- Collaborating closely with cross-functional teams to translate data insights into visible contents, leading to more informed decision-making processes.
- Managed project timelines and budgets, ensuring that projects were completed on time and within budget.
- Implemented search engine optimization (SEO) best practices, resulting in a 25% increase in website traffic.

Web Developer

Green Leaf International Co., Ltd. | Hybrid | Feb 2021 - Sep 2022

- Developing and implementing new features and ensuring smooth functionality, enabling the company to optimize procurement and sales strategies effectively.
- Creating intuitive and insightful dashboards using React.js, facilitating data-driven discussions and aiding in the visualization of key performance metrics for stakeholders.
- Significantly improved database performance through meticulous analysis of query performance and implementation of effective indexing strategies in MongoDB.

Web Developer Intern

Green Leaf International Co., Ltd. | Onsite | Jul 2020 - Aug 2020

- Worked collaboratively with the marketing team to create landing pages and optimized user experience on the website.
- Coded web pages using HTML, CSS, JavaScript, React.js, and Bootstrap, ensuring cross-browser compatibility and responsiveness.
- Developing and maintaining databases to efficiently store and manage essential information, ensuring easy accessibility for the team.
- Provided ongoing website maintenance and support, ensuring that the website was up-to-date and running smoothly.

RELEVANT EXPERIENCE

Volunteer React Developer

Atomic • May 2021 - Apr 2022

- Building stable and maintainable new features, functionality, and capabilities on the Atomic web application using React.

EDUCATION

Bachelor of Science in Computer Science

University of California, Irvine • 2018 - Dec 2020

GPA 3.6
